## SUMMARY

Motivated Software Testing Fresher with strong knowledge of Manual Testing concepts, SDLC, STLC, Test Case Design, Defect Reporting, and Bug Life Cycle. Skilled in analyzing requirements, preparing test scenarios, and executing functional, regression, and usability tests. Familiar with Agile/Scrum processes and tools like JIRA and Postman (basic API testing). Eager to contribute to product quality, learn new technologies, and work effectively in a collaborative team environment...

## TECHNICAL SKILLS

**Testing Concepts**: SDLC, STLC, Defect Life Cycle, Verification and Validation

**Testing Types**: Functional, Regression, Smoke, Sanity, UI, Compatibility

**Agile / Scrum**: Understanding of Sprints, User Stories, and Daily Stand-ups

**Database / SQL**: Basic SQL queries

**Documentation**: Test Plan, Test Case, Bug Report

## PROJECTS

**BS SPORTS-E-Commerce Project**                                                             Oct 2025 – Present
                                                                            *Test Case Documentation,Bug report preparation*
- Analyzed requirement flow of the BS SPORTS website and identified key functional areas for testing.
- 50+ detailed test cases for Homepage, Product Listing, Product Details, Cart, Search Feature, and Navigation.
- Performed Functional Testing, UI Testing, Usability Testing, Regression Testing, Responsive Testing, and Compatibility Testing.

## EXPERIENCE

**Software Testing Intern**                                                                    Sep 2025 – Jan 2026
*Luminar Technolab*                                                                                *Kochi,Kerala*
- Gained a strong understanding of Software Testing Fundamentals, including Importance of Testing and Testing Principles.
- Hands-on experience in identifying and documenting Defects, Bugs, and Failures during testing.
- Done various software testing peojects

## EDUCATION

**Adi Shanakara Institute of Engineering and Technology**                                      Ernakulam,Kerala
*B.Tech Electronics and Communication*                                                         *Aug 2020– July 2024*

**Bharatiya Vidya Bhavan**                                                                      Kozhikode,Kerala
*Higher Secondary Education*                                                                    *March 2019 – March 2020*
